

The **Southern Ohio Indoor Music Festival** was established in 2003 and is presented twice each year – in March and November- at the Roberts Convention Centre in Wilmington, Ohio. Several VENDOR opportunities are available for our next festival which will be held on Friday, March 26th and Saturday, March 27th, 2010 .

The **Southern Ohio Indoor Music Festival** features nationally known acoustic music groups including pioneers of Bluegrass music as well as a sampling of the up and coming bluegrass bands. Our goal annually is to always feature Bluegrass, Old-time and Gospel music, combined with family fun and educational opportunities in an entertaining, smoke and alcohol free environment.

The **Southern Ohio Indoor Music Festival** is sponsored by WBZI, WEDI and WKFI Radio stations and hosted at the Roberts Convention Centre located at the intersection of US 68 and I-71 at exit 50 which is less than an hour drive from Dayton, Cincinnati and Columbus. More than a convention center, the Roberts Centre includes a Holiday Inn Hotel, Max and Erma's Restaurant, RV parking as well as state of the art facilities for hosting our annual INDOOR music event.

Make your plans now to join us on March 26 & 27, 2010.

We welcome the opportunity to forge a promotional partnership with many quality businesses that could benefit by presenting their product and services to our audience of over 2,000 enthusiastic fans.

Opportunities are limited for vendor spaces so please let us coordinate your participation as soon as possible.

We look forward to serving you.

Thank you,

Tammy Mullins, Event Coordinator – Southern Ohio Indoor Music Festival
